CARD BACK

## Did you know?

You have the option to display or not display your brokerage address. Many Sutton West Coast REALTORS® prefer to leave it off as it allows them to represent a broader market place covered by Sutton West Coast offices. **If you would like to leave your office address OFF your card please specify.**

## How do I get my cards?

- ✓ Select which **card back** option you would like to use - A, B or C
- ✓ Submit the information you would like to include on your card, ie. cell, email etc.
- ✓ Submit your photo to your office if you would like to include it on your business card. *If you do not want to include a photo Option C is the best choice for you.*

Please ensure all card content & design choice is sent to your **office admin staff**.  
You will receive a card proof prior to printing.
