

Promotion Tables – Model 100

- *Promotion Table Model 100 is ideal for retail sales applications, including the in store sales promotion of specific products and food taster displays. It can be used as a temporary or semi-permanent display. This standalone table is finished with vacuum formed 3mm high impact polystyrene, easy to clean and ready to apply graphics. The header has neat fixings that slide onto the poles giving a nice finish. The base and counter are made from MDF wood. This model is in a great size for trade show booths and store environments and is sturdier than traditional plastic promotion tables.*
