

Common Types of "A" Signs

Sandwich A Boards

Sandwich A Boards are good for sidewalk promotion. They can be easily stored when your shop is not open. Check with your strata or local Government for regulations of putting "A" boards in public area.

Common Material:

- Plywood
- MDF
- Sintra / Interfoam / PVC Board
- Aluminum Composite Panel

Common Size:

- 24" x 32"
- 24" x 36"
- 24" x 48"
- 32" x 48"

Metal A Frames with Inserts

Ready-made Metal A Frames are excellent for inserting coroplast signs. Message can be updated by alternating the coroplast inserts.

Common Size:

- 18" x 24"
- 24" x 32"
- 24" x 36"
- 32" x 48"
